ASSESSMENT APPEALS INFORMATION

You, the property owner, are the single best source of information as it relates to your property. If you have questions about the valuation, exemptions, classification or characteristics of your property, we encourage you to contact our office to discuss your concerns.

If you disagree with the current market value of your property or believe you qualified for an exemption or property classification not reflected on your TRIM Notice, you may:

- Request an informal conference with our office.
- File a petition with the Value Adjustment Board.
- File a lawsuit in circuit court.

Informal Conference

An informal conference with the property appraiser's office, while not required, is encouraged as a first step in addressing your concerns. By having an informal conference, you may be able to settle the issue without going to a hearing or going to court.

At this informal conference, you may:

- Provide documentation that may support a change to the assessment or eligibility for an exemption or property classification.
- Request facts that support the current assessment of the property and/or denial of an application for an exemption or property classification.

Please be aware that an informal conference does not extend your deadline to file a petition with the Value Adjustment Board.

To set up an informal conference, please call the Lee County Property Appraiser's office at (239) 533-6100.

Petition the Value Adjustment Board

For information on filing a petition with the Value Adjustment Board, please visit the Lee County Clerk of Court's website at www.leeclerk.org.
