

CONTACT INFORMATION

Here at the Lee County Property Appraiser's office we strive to serve all taxpayers in a way that best suits their needs.

If you have access to the internet, please visit our website at www.leepa.org. There you will find several methods to get in touch with us including "on-line chatting" and setting appointments for telephone call-backs or office visits. If you need to apply for an exemption, you can do that on-line as well.

If you are unable to visit our website or would prefer to talk with one of our representatives, please call us at (239) 533-6100 and select the appropriate option. You will be connected with the next available customer service representative. If all of our representatives are already on the telephone with other taxpayers, you will be prompted to leave a message. If you leave a message, our goal is to return your telephone call the same day.

If you choose to visit our office in-person, please be prepared for extended wait times as we receive quite a few visitors this time of year. Your wait may include standing and/or sitting in the office. We appreciate your patience and understanding.

ASSESSMENT APPEALS INFORMATION

You, the property owner, are the single best source of information as it relates to your property. If you have questions about the valuation, exemptions, classification or characteristics of your property, we encourage you to contact our office to discuss your concerns.

If you disagree with the current market value of your property or believe you qualified for an exemption or property classification not reflected on your TRIM Notice, you may:

- Request an informal conference with our office.
- File a petition with the Value Adjustment Board.
- File a lawsuit in circuit court.

Informal Conference

An informal conference with the property appraiser's office, while not required, is encouraged as a first step in addressing your concerns. By having an informal conference, you may be able to settle the issue without going to a hearing or going to court.

At this informal conference, you may:

- Provide documentation that may support a change to the assessment or eligibility for an exemption or property classification.
- Request facts that support the current assessment of the property and/or denial of an application for an exemption or property classification.

Please be aware that an informal conference does not extend your deadline to file a petition with the Value Adjustment Board.

To set up an informal conference, please call the Lee County Property Appraiser's office at (239) 533-6100.

Petition the Value Adjustment Board

For information on filing a petition with the Value Adjustment Board, please visit the Lee County Clerk of Court's website at www.leeclerk.org.

A FEW WORDS FROM MATT

Dear Property Owner:

As your Lee County Property Appraiser, it is my duty to produce a fair and equitable tax roll each year in compliance with the Florida Constitution and applicable laws.

One requirement of this process is to provide each property owner with an annual Notice of Proposed Property Taxes, known as a TRIM (Truth in Millage) Notice. The attached notice reflects the valuation of your property as of January 1, 2022 and the proposed ad valorem taxes for the 2022 tax year.

As Florida taxpayers, you benefit from a Property Owner Bill of Rights, as well as numerous potential exemptions and classifications. I encourage you to visit our website, www.leepa.org, and explore the rights and opportunities that accompany your property ownership in Lee County.

Our office is here to serve you. Please do not hesitate to contact us with any questions you may have about either this TRIM Notice or any other property related questions. Our door is always open.

Best Regards,

Matthew H. Caldwell
Lee County Property Appraiser
