FOR IMMEDIATE RELEASE:

2022 TAX ROLL TO OPEN FOR COLLECTION

WHAT: More than 538,000 Lee County property owners will receive their 2022 tax bills in the coming weeks. The roll will open online November 10, with hard copies of bills being mailed on November 23. These tax bills reflect the property value as of January 1, 2022, when State law required it to be assessed.

WHY: Both the Tax Collector and the Property Appraiser are sensitive to those who sustained damage, or lost their property entirely, to the wrath of Hurricane Ian and would like to share important information with taxpayers on what to do when they receive their bill.

The Honorable Matt Caldwell, Lee County Property Appraiser
